## Sealant Film for Improved Sustainability

Today's responsible converter is continuously challenged to lower material usage and costs without compromising packaging performance. These demands are met by utilizing an **Eclipse** sealant film.

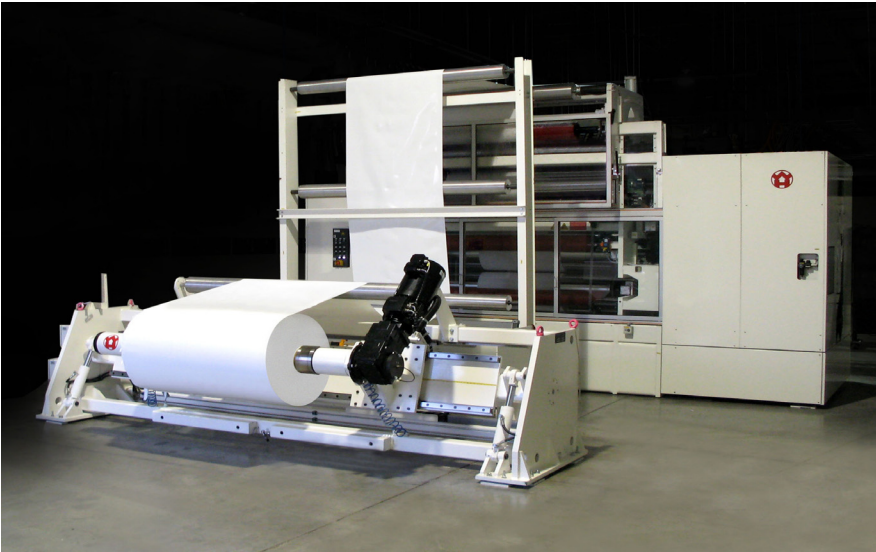

**Eclipse's** sealant films provide:

-  Lower packaging costs through improved yield (MSI/lb)
-  Enhanced sustainability and source reduction
-  Improved processing and performance

Technical Data	XEO-08007	Standard
Gauge (mils)	0.75	1.25
Modulus (psi)	60,000	30,000
45° Gloss	65	65
Haze	8	9
Seal Temperature @ 5 lb/in strength (°F)	235	235

Converters are continuously challenged to:

-  Develop sustainable products
-  Lower overall packaging costs
-  Maintain packaging performance

## Sealant Film for Improved Sustainability

### Advantages

-  Reduces the amount of material per pouch
-  Improves sustainability through source reduction
-  Improved efficiency on laminators and packaging lines
